RE: Client Referrals

Dear Mr. Robson:

I want to thank you again for your efforts and results regarding a recent client referral. As you know, most attorneys practice in certain areas of the law, and it is wise to retain an attorney that practices the area of law that matches the client's needs. My practice covers a wide variety of civil and administrative law, including litigation, but I do not focus on personal injury law. Accordingly, when my friends and client's sustain bodily injuries I have been confident in referring them to Chris Robson at the Robson Law Firm because bodily injury is all that they do. It is a very aggressive law firm that fights hard to maximize their client's recovery. The last client I referred to Chris Robson received a \$500,000.00 settlement! Keep up the good work.

Sincerely,

Stephen Jon Moss
